A "Census Count" is defined as: an informal count made frequently by staff, at irregular intervals to ensure that all juveniles are present and in their assigned location. Counts are scheduled so that they do not conflict with activity programs and normal operating procedures. The staff member responsible for maintaining the master count record has up-to-the-minute information regarding all juvenile housing moves, work assignment changes, hospital admissions, and so forth. All juveniles in legal custody are accounted for in the master count and all temporary absences are explained in writing.</i></p> |

ALLEN SUPERIOR COURT – FAMILY RELATIONS DIVISION
ALLEN COUNTY JUVENILE CENTER

POLICY & PROCEDURE

SUBJECT: Facility Counts

NUMBER: 8-5-9

EFFECTIVE DATE: February 27, 2015

POLICY:

a) The Allen County Juvenile Center (ACJC) has an accountability system for physically counting juveniles and maintains a daily population report on every juvenile in the facility. The daily population report includes the following information:

- (1) Number of juveniles in the facility on a given day.
- (2) Names of juveniles.
- (3) Identifying numbers.
- (4) Housing assignments.
- (5) Date and type of admission.
- (6) Number of releases.
- (7) Number of accumulated days of stay per juvenile recorded.

(b) The facility's formal count is taken and recorded daily at midnight.

(c) There is at least one (1) census count or formal count taken per shift, each day.

PROCEDURE:

a) The Allen County Juvenile Center (ACJC) accountability system for physically counting juveniles and maintaining records are as follows:

- 1) A head count is conducted at the beginning and end of each work shift. When completed; the formal count is documented into the Quest Case Management System (Quest) and Admissions is notified of the Formal Count.
 - i) Admissions documents all Living Unit counts into Quest Log book notes, confirms the counts accuracy, and reports the formal count to both Central Control and the Shift Leader's office.
 - ii) A "Census Count" is conducted on each unit every time the unit moves from location to location throughout ACJC.
 - iii) Watch tours are completed every fifteen minutes, twenty-four hours a day, on every unit when juvenile(s) are confined to their rooms.

- iv) Any juvenile who is temporarily released from the facility for reasons of medical, educational, or court affiliated reasons will be marked as "Temporary Release" in Quest. The staff will log into their Quest Log book notes, where the juvenile is going, the time, and their return. When the juvenile is a "temporary release" the Unit will identify their new population count each time as follows:

(Ex.) Smith, John transported to Dr. Appt. Population 12+1 TR

(Ex.) Smith, John returns from Dr. Appt. Population 13

- 2) Names of juvenile(s) are identified in Quest.
- 3) All juvenile(s) are assigned a Quest file number.
- 4) Housing assignments are managed through Quest.
- 5) Date and type of admissions are recorded in Quest.
- 6) Releases are managed through Quest.
- 7) Numbers of accumulated days of stay per juvenile are recorded in Quest.

b) An automated email is sent to reflect the formal count at midnight every day.

c) A "Census Count" is conducted on each living unit every time movement takes place throughout the facility.
